

Dorman Farrell has the knowledge to make a difference...and the people to make it happen

In today's tough economic climate, securing your family's financial future is more important – and more challenging – than ever. If you've been hesitant to take the next step to financial security, now is the time to get to know the local, qualified professionals at Medina's Dorman Farrell.

For over twenty years, Dorman Farrell has provided customized financial solutions for clients in Medina County and Northeast Ohio. Founded by Medina resident and Dorman Farrell president Mark Dorman, the company provides a wide range of comprehensive financial and retirement planning services to help clients achieve their specific goals.

“We focus on several key areas during the financial planning process,” said Mark, “We listen to clients to understand their current position and then help them strategize in the areas of insurance protection, wealth accumulation, tax reduction, retirement and estate plans.”

Over the years, Dorman Farrell has expanded its business to serve not only individuals, but also area corporations. “I started out as a financial advisor to individuals,” Mark said, “But I knew the way to grow was to reach out to small to mid-size businesses. This allowed us to connect with business owners and their employees.” As a result of that growth strategy, Dorman Farrell also provides consulting services to corporate clients in the areas of employee benefits, retirement plans and executive benefits programs.

With twenty-one employees and associates, Dorman Farrell has over 150 years of collective experience and works closely with Massachusetts Mutual Life Insurance.

As one of the fastest growing companies in Northeast Ohio in 2009 and 2010, Dorman Farrell was recognized with the Weatherhead 100 award two years in a row. Other prestigious awards include the Pillar Award 2008, Medina County Corporate Citizen of the Year 2008, Cascade Capital Growth Award 2009 and 2010, and Inside Business Growth Award 2010.

Making a difference in the community is important to the Dorman Farrell team. Each year, Dorman Farrell hosts a charity golf outing to benefit local charities. Mark is the current president of the County Economic Development Committee and a past president of Leadership Medina County. Many of the company's associates serve as board members for a number of local charities and business organizations.

If you are ready to design a financial strategy to help ensure peace of mind for you and your family, Dorman Farrell can help. With an unwavering commitment to help you achieve financial security and the professional team to make it happen...Dorman Farrell can make the difference in your financial future.
